

Siren Song

Cointreau Noir, Hakashu 12 year, Fee Brother's Orange Bitters, lemon, sugar and a smooth light foam from egg white.

Get your heels and little black dress. A luxurious and sensual drink whose tempting, dark orange notes, capture and hold your attention while the fresh citrus swirls on the palate. Delicate but powerful, you'll never again settle for less. Served martini style, modern and empowering.

Shibuya Highball

Kakubin Suntory Whisky, homemade all spice syeaurup, lime and soda.

Sharpen your steel on this one! A true Samurai's delight forged by smooth spice, refined lime and the hero itself, Kakubin Whisky. Perfectly poised, created for the warrior at heart. Take this to keep your focus on the battlefield before the deafening battle cry, Shibuyaaaa!
Served in a traditional Japanese steel highball over ice.

Fields of Fukiyah

Tanqueray No. 10 Gin, St Germain, apple, coriander.

Imagine lying peacefully in long soft grass, apple trees are over head and the sun cascades through gaps in the branches. Shards of golden light reflect all around and adorn your lovers smiling face. This is the drink you share.
Served clean and fresh martini style.

Rock ‘Em Sock ‘Em Robots

1800 Anejo Tequila, Domaine de Canton,
Ardbeg 10year, homemade honey syeakup, lemon.

“Float like a butterfly sting like a bee, the mouth can’t drink what the eyes can’t see.” You’ll feel the rumble in your jungle, this heavyweight potion is sure to have you up against the ropes. But unlike Ali you won’t last 15 rounds, this drink’s a bona fide knockout. Served on the rocks.

Ms Collins’ Brunch Punch

Belvedere pink grapefruit, Domaine de Canton,
vanilla schnapps, pink grapefruit juice, mint.

Brunch is our answer to one of life’s oldest mathematical paradoxes. Can I sleep in but still have eggs at midday? Sure. So alongside your smashed avocado on spelt sour dough toast and double ristretto almond milk latte, line up one of these liquid fruit platters to bring you to life. Feel fantastic, get boozy and start that period between breakfast and lunch right. Served tall over ice.

The Bold and Beautiful

St Germain, passionfruit, lemon, sugar,
topped with Chandon sparkling wine.

To some, the Bold & Beautiful, are just two juxtaposed adjectives, to others they’re a timeless TV series hell bent on exaggerated pauses, pregnancy plot twists and whether Ridge and Brooke truly deserve each other. So if you’re feeling bold order your taste of #hollywoodlyf here. #champagnecocktail

Julep and Sons Fig Tree

Bulleit Rye Whisky, fig jam, mint.

The original gentleman's persuasion, feast on this in the midday sun. When horses pound solid earth to victory, when primal strength meets grace, when you demonstrate authority and command attention, have the heritage of Julep and Sons at your side. With hearty rye, regal figs and fresh mint, you've just won the trifecta. Smashed over ice for your indulgence.

Pinkies Reviver

Gosling Rum, Green Chartreuse, Mandarin Napoleon, pineapple and pink grapefruit juice, lemon, orgeat.

When Pinkie grew up he dreamed of the bright lights of showbiz. But years of lowered standards and neglect left him all washed up. That's when he met her. Ms Collins took him in and showered Pinkie in love. Now he's a year outta rehab and has his vigour for life back. This is what brought Pinkie home. Forget the Corpse, this is the ultimate tiki reviver, served tall.
